OFFICE OF THE DAILY APPEAL,] FINANCE.

The tendency of money is again to tringsney not that it has arrived at any such point, but it is pecoming closer as the season allyanobs, and those who profess to know say that it will be worse instead of better aptil the new crop

with a light demand. We to-day saw the first specimen of the new fifteen cent fractional currency

which has found its way this für West. The total amount of new entrepey so far sened is but little over \$1,0,000. The otes bear some resemblance to the new en cent notes recently issued, though they are nearly an inch longer than the meant notes. In the left hand upper ore is a time vignetic of the head of the oddess of Liberty, with a head-dress mething like that on the bronze figure armounting the Capital dome. This is rrounded by a wreath with the fasces the case. In the right hand apper cor-The face bears the words: "Fractional nrrency, United States; fifteen cents; emished only by the assisiant treasurer and designated depositories of the United mustes," In the lower margin are the words: "National Bank Note Company. New York." The back is green, and has the figures 15, while the usual rates of exchange are printed in two segments of a circle, nearly enclosing a blank space, instead of being printed in the middle of a circular space, as on other notes. Lity Scrip is firm; a dealer sold a small jot of Serip proper at our outside rate as

quoted, but ledger balances are from 2 to County Warrants and Police Serip are Buying. Eastern Exchange

pares up. N. To Railroad Men.

We have no traveling agents, and railroad men will not pass any one claiming to be from this office, except when fully anthorized by the proper document. We have recently heard of several ments. We have recently heard of several dead heats who travelatibe expense of the Shipped previously.............246,772 246,772 AFFEAL. Their names and a descripting of the parties will be glamy received and published by Kravisc, Excuss & Co.

The Denver Trinsquist speaks of hasy scenes on the grade of the Colorado lentral Railroad. Between thirty and harty teams are at work near the crossing of Raiston; a portion of them are at work upon the east side of that stream, where good progress is being made.

ive and prices are firm. Mess Pork is eld in lots at \$34 50, while in a small A party of thirty Chicago merchants way \$35 is the ruling figure. Clear Bacon going to California, chartered two of Pullman's cars—a sleeping car and a commis-sary car—at \$125 a day; took their own provisions and cooks, and will live inde-nendent of hotels and eating houses all Sides 191/4 to 20c; Shoulders 151/4 to 16c; S. C. Hams 23 to 24c. Lard in kegs 22 to 3255c, tierner 22 to 23c, end-lies 2254 to 23c. orn is scarce and dealers are st variance the way. The tip will be likely to cost the party nearly \$500 each. The fare from Chicago to San Francisco is \$157, currency. \$1 to 1 05 for lots in store, while a Court A Nashville exchange says of the dreet operator offered choice at 97e in a Tennessee and Pacific road: Work is now Temessee and Pacific roan: Work is now progressing on hearly all sections on the road. It is expected that the road will be leady for the road it. A party of engineers are surveying the southern route by theiry Valley toward the United Fork, and will soon survey the northern route by the way of large way, and retails at \$1. Outs are tendy at 83 to two. Bran in store \$22. lay stendy at Sac. Ergo are duly at 19 to 12: per dozen. Apples are steady; choice are selling from wagon at \$1 50 per barrel cose, and potatoes at \$1.25 to 1.50 per bhl. Rome, Carthage and Chestnut Mount. It is believed that this route will be adopted Cape Lime \$1.70 to 1 so; Ohio river \$1.50; ement \$2.75 to \$3. Chickens range from as the final location if Smith and Jackson counties will subscribe the necessary stock. If this is done the work as far as 82 50 to 86, young and old. All other things are steady at vesterday's quota-Pea Ridge will be let in the fall,

of the father of the speak are the shint of the father than a round mountains, akimuting along the edge of precipices and crossing water-courses at immense elevations. Trains upon it are peculturly liable to misfortune. It is a sec-tion abounding in sharp curves, high gratimore, affirmed the judgment of the Criminal Court imposing a fine of \$400 and costs for violation of a State law by and costs for violation of a State law by selling without a license, selling with the license with line with the license with line with the license with line wit Criminal Court imposing a time of \$400 coll, threatening to rot the send as fast as planted, delayed the season of pleating, Then large areas were replanted from a irach, precipitous assuntain sides have to be quarried out, vast abysses to be filled, ravines to be spanned, before the rails can be put down. All this labor involves an expenditure of not less than \$100,000 a continuance of similar conditions, and the stand has, therefore, been poor and the growth stanted and feeble, in northern latitudes, until late in June, since which mile, or nearly ten and a half millions P the whole distributed the work is going prayery porabile. Thirty-live inties are completed, and armies of men are blasttime a great prove [27] in lighting liverary sections there are more week than corn, while much is still overflowed, making it impossible to cultivate the crop. Worms have proved destructive in some places. Altogether the prospect is quite unfavorable for a good crop of corn, ing the rock, filling the valleys, and car-rying forward the enterprise with unin-

An enterprise has recently been undertaken by a rest of the an applied sto. Leased by Stapshark's Riteria, Isali, of New York, which, though not of se grous magnitude as the Pacific Railroad, is fully equal to it in commercial maportance. It is the building of the tree taked of refroad a research to the period of the period of refroad a research to the Mexican government, a company incorporated by the Legislature of Vermont, and Mr. Roberts has instaligned a bord in the penalty of \$100 mg soin, for the termitting energy. hough there is yet time, under favorable chrunatance, per great ameliaration. The everage is somewhat less than tag year in the South, also in New York, Michigan, Indiana, Illinois, and in some the Eastern States. The decrease in nas icent an increase peat of the Adama-sippl, and to some extentin more bastern Sates, sufficient to give a total average qual to last year.

The feebleness and starved condition of The feebleness and starved condition of the cetton plant in May and early in June are yielding to the bright year and early in June are yielding to the bright year and early in June are yielding to the bright year and early in June are yielding to the bright year. It wand "Fears are expressed in a few localities that there will not be more than half a crop. On the other hand, the general report is far made encouraging, "and the latitude that he selection of seed, and better implements employed, while the laborers are more faithful and reliable. The teral see planted a arout in an account the average to fally someone areas. Tennessee, Virginia, Kentucky and Alexon to the increase is given as follows Phorist Capolina, ten per cent.; South Carolina, nine per cent.; Georgia, eighteen per cent.; Florida, twenty—berecent.; Alexand, eight per cent.; Mississippi, fourteen per cent.; Louisiana, sixteen per cent. Texas, thirty two per cent., Athalasa, incide per fent.

Hay will be abundant, but of comparatively poor quality, being rank in growth, and to some extent injured in curing. Potatoes have been largely planted, and generally promise well, except where injured by the wet weather, though apprehensions of potato disease are prevalent, and the bug is doing some damage. and Mr. Reperts has been signed a bond in the penalty or sign all one, so the signed abond in the penalty of sign elgibeen mouths, of the straight markets are along the whole route of the projected rairroad, to assist in the building of the latter. The railroad itself is to be commenced within two way, and completed within they year, and completed within these years more, all the rate of fifteen longues, or about one-third each year. It is to be a first-class road in every respect, and capable of meeting all the renirements of the extensive traffic which pertain to how many it.

S. T.-1860-X.-The unprecedented and extraordinary demand for PLANTAPION BITTERS is evidently owing to their being prepared with pure St. Croix Rum, Callsays Bark, etc. Our Bruggies complain that it is almost impossible to keep a supply, and that their orders, owing to the great demand, are but tardily executed. Be not become discouraged. Be sure and get the genuine.

The World Grows Wiser .-- The human organ. There was a time when for every direliction of duty it was punished with huge doses of the most disgosting and natuseous drugs. In vain it rejected "hem, and (literally returned them upon the hands of those who administered them. They were forced upon it again and again, until its salvent power was thoroughly drengthed out of it.

The world is wiser may that it was in that drasticere, whill strictly pargation and meragini salivation were what Artemas Ward would have called the "main holf" of the faculty, in cases of dyspepsia and liver complaint.

The great modern remedy for indispession lireliction of duty it was punished with huge

cine.

It has the a decovered at last that sick people are not like the fabled Tilans, who found pristration so refreshing that when knocked down they rose from the earth twice as vigorous as before. When an invalid is prestrated by powerful designing drugs, he is aptostay prostyphed; and the debilinated being a part of the fact, projet the building up to the public and down system of treatment.
